WORK EXPERIENCE

GRAPHIC DESIGNER

Logosville | Akure, Ondo State.

2020 - NOW

1. Designed website layouts, templates and unique branded looks.
2. Worked with clients to gather and define requirements, establish scopes and managing project milestones.
3. Built corporate brands by designing cohesive looks between elements such as logos and letterheads.
4. Developed display, marketing and packaging materials to support product branding strategies.
5. Created and updated trend boards, investigated changing conditions and recommended strategic adoptions to capitalize on projected changes.
6. Employed design fundamentals when selecting typography, composition, layout and color in design work.
7. Coordinated, created and scheduled content, designs and periodic updates to company social media pages.
8. Designed creative digital displays used in on-line advertising for local businesses.
9. Created digital image files for use in digital and traditional printing methods.
10. Applied knowledge of production to create high-quality images.
11. Developed creative design for print materials, brochures, banners and signs.
12. Met with customers to present mockups and collect information for adjustments.

WEBSITE DEVELOPER

TAAMP | Chicago, United State.

2021 - NOW

1. Designed, implemented and monitored web pages, plugins and functionality for continuous improvement.
2. Provided front-end website development using WordPress, Hubspot and other editing software.
3. Multi-tasked across multiple functions and roles to generate project results and meet deadlines and organizational expectations.
4. Optimized company's website and main corporate blog to boost SEO traffic to sites. Provided ongoing efficiency and security maintenance and patching on website interface to maintain viability after launch.
5. Conducted functional testing over course of web development lifecycle.
6. Embedded media into sites using reliable, streamlined protocols and technologies. Conducted testing and review of website design for responsiveness, clarity and effectiveness.
7. Converted graphic designs to usable web images using Adobe Photoshop and Adobe Illustrator.
